5 Year Glass, Limited Lifetime Door Warranty

Our Warranty to you...

GlassCraft Unfinished Premium Fiberglass Door slabs and entryways are designed to create lasting value and beauty for your home, and this warranty is effective for all unfinished fiberglass door slabs and systems sold by GlassCraft on or after January 1, 2014 for use in a residence installed in the United States. Any previous warranties will continue to apply to door products manufactured by us prior to this date. For additional information, including care and maintenance, installation and finishing instructions, or to report a warranty claim, see your dealer or refer to www.glasscraft.com. This warranty does not cover door hardware such as thresholds, hinges and lock sets, which are covered by a separate warranty.

We warrant that, subject to the conditions and exclusions stated below, each unfinished fiberglass door or its glass panel or wrought iron grill will be free from defects in material and workmanship which would render the product unfit for normal and recommended use and service when correctly finished and installed and maintained into a home in the continental USA. GlassCraft Door Company ("GlassCraft") warrants this product only to the first purchaser of the product for purposes other than resale, or to the original purchaser of the residence into which such door is installed. This warranty covers defects which become evident during the period outlined below, provided that the owner gives written or electronic notice of the defects to GlassCraft Door Company, 2002 Brittmoore, Houston, Texas 77043, within the applicable time period. This warranty constitutes the sole and exclusive warranty offered by GlassCraft Door Company; it is not transferable, and no dealer, distributor, or representative of GlassCraft has the authority to modify or expand this warranty.
